Dear applicant,

The Catholic University of Applied Sciences (herein after referred to as katho) works in accordance with the currently valid regulations of the European Basic Data Protection Regulation, the Law on Data Protection in the Church and all other data protection regulations in their current version.

Data protection information on the Erasmus+ exchange project of

the Catholic University of Applied Sciences

With this letter we inform you about the handling of your personal data. Personal data are all data that relate to a natural person and allow conclusions tobe drawn about their personality.

Examples of this are the data in your application form for an Erasmus+ stay.

As part of your participation in the Erasmus+ exchange project, personal data will be collected and passed on to the offices listed below (see "External offices" and "Interna! offices"). They will be stored for 10 years after the project has been completed, after the respective project report has been checked in accordance with the grant agreement concluded with NA/DAAD and the statutory provisions and deadlines.

#### **External offices:**

In the event of an audit by the National Erasmus Agency, the EU or an auditing company, we will forward your data to the auditor.

The following data will be stored and processed in the Mobility Tool database operated by the EU:

Before the start of international mobility:

- the data contained in your Learning Agreement and in your Grant Agreement

After the end of international mobility:

- the information provided by you in the electronic final report "EU Survey"
- the data certified in your Confirmation of Stay

Further information on data protection can be found in Article 3 of Annex II (General Conditions) of the Grant Agreement.
